FOREWORD

ANOTHER year has passed, leaving its many memories, its failures and successes, its joys and disappointments. It is the privilege of the 1928 Cedrus Staff, in compiling the record and events of the past year, to place them against a background which will recall them to the fullest extent. For the recording of the greater occasions, words and pictures seem entirely inadequate. The strain of examinations, the excitement of the basketball season, the glory of the campus in spring—the impressions of these can be but poorly set down. It is hoped, however, that by recalling these high moments, the memory of the closing year will be kept forever fresh to those who have had a part in making this bit of history for our beloved Alma Mater.

Dedication

TO that Colonial Spirit—the spirit of achievement, which has given us our heritage of ideals and moral aims; the light which guides toward firmness, yet fineness; the spirit of originality in thought and action; the spirit which has inspired the highest accomplishments in all types of American activity—the Cedrus of 1928 is affectionately dedicated.

Alma Mater

Cedarville's a College in a grand old state
Built by the hands of her Maker great;
Guiding eager students thru the open gate
Of dear old Cedarville.
Fitting them for Champions of the Truth and Right,
Arming them completely for the coming fight,
Leading them to Victory over wrong and might
At dear old Cedarville.

CHORUS

Senior, Freshman, Soph and Junior, too;
Join your hearts and efforts
And in everything you do.
Onward, upward be our motto still,
Follow close the leading of
Your dear old Cedarville.

Cedarville's a College that shall ever stand,
Shedding light and glory over all the land.
Reaching out to everyone a helping hand
From dear old Cedarville.
Many are the victories that are in her way,
Many be the triumphs of the coming day.
Many be the students who shall always say,
"Our dear old Cedarville."

Cedarville College

TUNE: "America, the Beautiful."

O Cedarville, our college dear,
For loyal youth so strong,
For constant faith without a fear,
Through all the years so long!
O Cedarville! O Cedarville!
Home of our student days,
Forever may thy name abide
And lasting be thy praise.

O Cedarville, we love thy halls
Where precepts true are sought;
We love thy consecrated walls
Where earnest youth are taught.
O Cedarville! O Cedarville!
Joy of the by-gone hours,
Continue through the passing years,
And reach your hoped-for powers.

O Cedarville, we live for thee
With faith unfaltering—
We live, we love, we trust for thee;
Be glad and let us sing
O Cedarville! O Cedarville!
Our trust in thee maintain;
Confirm thy strength in purity,
Thy honor to retain.

O Cedarville, we pray for thee
Our God will love and care
In days of stress in years to be
O hear, O God, our prayer;
For Cedarville! For Cedarville!
Preserve her in thy grace;
Defend her with thy mighty hand,
Shine on her with thy face.

—President W. R. McChesney.

The Faculty

The name of Dr. McChesney continues to head the list as President of a capable and well-prepared faculty. He has served the college, the community, and the country far and near during the last thirty-four years. He abides in his work—each year better and greater. In addition to his duties as President, he finds time to teach Philosophy, Greek, and Psychology, and to deliver commencement addresses and to preach the Gospel.

Dr. Jurkat has served Cedarville College and community for thirty-three years in teaching and preaching. He is working on in the teaching of Languages and History and in the capacity of Treasurer of the college.

The Science Department has been under the efficient direction of Professor Fraser since 1922. This department is one of the most important in the life of the college.

Dr. Talcott has been with the college from 1924 as Director of Music. Since his resignation, Miss Lydia A. Berkley has been secured to continue with this work.

Miss Dolby has been the guardian of English since 1925. This department has grown rapidly in activity and influence under her guidance. She is also Dean of Women.

Miss Lieving has, for the last three years, done her part for the college as Secretary to the President and Registrar and in the teaching of French. This year she has been the Acting Dean of the College. It is with gratitude and pleasure that she commends the willing services of the various student-assistants and the splendid cooperation of the different members of the faculty.

Professor Borst is yearly becoming more efficient as Director of Physical Education. In addition to his athletic duties, he has charge of Mathematics and Spanish.

Reverend Ingmire is a valuable asset to the college in the teaching of Archaeology, Homiletics, and Religious Education.

Miss Dean, our "summa cum laude" Professor of Latin and Bible, is an indispensable addition to the faculty. She finds time, during the busy days, to give invaluable assistance in the office.

Miss Julien came to us this year as Professor of Economics, Sociology, and Public Speaking. Miss Julien has had splendid training along these lines and is giving excellent service to the college.

We are fortunate in having with us this year Professor Hostetler, as Head of the Department of Education. This department is under the direct supervision of the State Department of Education and is fully equipped for the training of teachers.

Miss Chapman is a real "Friend" to all. She skilfully guides the prospective teachers through the maze of teacher-training and brings them to light as very promising teachers. She is also Dean of Women.

Miss Bristow well merits the title of "perfect teacher." She is an invaluable member of the Department of Education and is just as loyal to the various other phases of the college work.

Miss Lust is one of the most popular members of the faculty and an inspiration to future teachers. She is also a very willing worker in other departments of the college.

Mrs. Corry, has, in the past, served as Instructor in Public Music. This year she has been an assistant in the college Department of Music.

Miss Burns has instructed in Public School Music during the past year. She is well-fitted for this work and is winning worthy praise in her teaching.

Four years seems a long time. But to the members of the class of twenty-eight who are about to sever their student association with Cedarville College, it has been a very short sojourn, and a most delightful one.

The years have been replete with enjoyment. Class work, social functions, athletic contacts, and the friendships of college life have been both enjoyable and beneficial.

Back in September 1924, the present Senior Class entered as students of Cedarville College. It was a large class and ere long, the impress of its influence could be perceived in all phases of college activity.

Athletics, literary societies, the student Christian associations, and other organized student efforts were strengthened by the advent of this new class.

The outset of the Sophomore year found the members of the class with increased dignity and experience. The feats of Brown, Adair, Nagley and Little on gridiron and basket ball court were heralded far and near, and it was in the Sophomore year that the Sophomore boys' team won the Inter-Class Basket Ball Tournament, thus bespeaking the athletic prowess of the class.

The Junior year was a year of activity and usefulness, and the Juniors were even more than ever at the heart and center of things.

The Junior Play, "The Goose Hangs High", was given before a large and appreciative audience at the Cedarville Opera House. It helped make possible the realization of the Junior-Senior Banquet which was held in Springfield during the month of April.

It was a busy group of young people who entered upon the work of the Senior year. It has been the busiest year in the history of the class, and in all phases of college activity the Seniors have taken the lead.

And now that the Senior year is nearing a close, and members of the class will soon be able to sing their "swan song" as Cedarville College students, there is the satisfaction of achievement but also a profound sense of regret. The members of the class of '28 have tried to measure up to their responsibilities and they have given themselves to all that makes for the good of Cedarville College and have become so intrinsically bound up with her ideals that the college has become a veritable part of them.

The Seniors will soon be leaving Cedarville College, and it is the hope of all those interested in the class that they will be just as useful and valuable members of the Alumni as they have tried to be as students of Cedarville.

We, the Juniors, have weathered three stormy years, and are still going strong. The records show that our class is the smallest that has attended Cedarville College during recent years. However, the spirit of the class is not measured by its size; our aim is quality rather than quantity. We have been faithful in our work, and faithful to our class and college. Although willing to assume responsibility when it is ours, we have not failed to help "Carry On" under the leadership of others.

This year, among numerous other activities, we have constantly endeavored to fill all the sweet teeth in Cedarville College. In November, after getting a very slow start, we presented the play "Clarence" with considerable success—thanks to the able direction of Miss Julien.

Next year, we shall pass from the sheltering walls of our Alma Mater, to do service where it is most needed. In whatever field we may serve, we hope to remain true to the principles taught and practiced at Cedarville College.

Twenty-nine hopes that we will still be remembered even twenty, yes fifty years hence, and that Cedarville College will be proud that we have had a part in her life. —M. C., C. F.

ROBERT JACOBS

We are glad we have "Bob" representing us in athletics. He has always been on time at all of the feeds even though he does miss classes for certain reasons.

ROGER STORMONT

Economics would fall through if Roger weren't there, how about it? Roger is O. K. we think, even if we don't always get letters when we think we should.

HELEN THOMPSON

Helen is the girl who helps us solve deep problems. She is a good worker, we know. The girls envy Helen's long hair because she had the patience that we didn't have. Somebody else likes pretty hair, too, we notice.

BERTRAM FLEMING

Mr. Fleming finds time to kid us all even though he is busy. The Juniors are mighty proud to claim him as a "father to our class," as Fleming would say.

THELMA BARTRAM

Thelma is a quiet little miss but we are proud to have her in our ranks. Evidently we aren't the only ones who like the quiet girls. What do you say, Thelma?

JAMES BEAM

If it hadn't been for Jim I'm afraid the Seniors would not have had a banquet given in their honor. Jim is the boy who put the candy on a cash basis. He's right there every time, you bet, ask her!

MARGARET CHANDLER

If you should see a little girl, with black eyes and hair, going to and from classes in a very pensive mood, you'll know it's Margaret. We never can forget the name she made for herself in the Class Play. Margaret is rather quiet this year—but then, the mails are still running!

HARVEY AULD

It surely is an inspiration to see a smiling face whenever we meet Harvey. He isn't with us all of the time but we count ourselves lucky when he is.

GEORGE GORDON

George is our basketball star. He surely can get there on a basketball floor. We don't see him very often at meetings but his spirit is with us, isn't it, George?

EDITH WIGAL

Everyone likes Edith because she always wears a smile. Edith is a star in lessons and the class needs such members to hold up its good reputation.

CARL FRAZIER

Carl is our faithful president. He has carried our illustrious class through many trials and tribulations. We owe our gratitude to him for we know his time is precious—some of these girls have made it so.

IRENE SHANNON

We don't know what we would do if we didn't have a pair of snappy eyes and that Irish wit. Irene is always ready to help and her character has won many boy's confidence and all that and maybe more.

CLAIR McNEEL

Clair hasn't much to say, but when he does say something, it is worthwhile. We've learned that much. We wonder if he likes to say lots of nice things to someone else.

FRANCIS ANDERSON

She is a charter member of the notorious Juniors. Frances likes Cedarville "all right" but oh my how our hearts flutter when she talks about Mu-kingum, tenor voices and curly hair.

HEBER KEACH

We'll wager Heber has sold more candy than anyone else. Heber is very essential to the success of the Juniors. All of the girls think so, don't they, Heber? Yes, Sirree!

NEDRA WILSON

Nedra manages somehow to live from letter to letter and from week to week. Never mind, Nedra is a quiet, studious girl this year and we are proud of her loyalty to us and "others."

Cedarville, we are here;—yet. We came, we saw, we conquered one year, and we're in the process of coming, seeing and conquering a second year.

We're glad we're here. Of course, we know you are. Who are we? Do you ask who the Sophomores are? They are self-explanatory. They, and the best class are identical. Prove it? Certainly.

Last year we were green, we'll admit. This year we're not even blue. We know we're good. Last year we had haircuts. (But you can't keep a good man down.) This year we're giving them. Last year we were young. Now we are venerated—by Freshmen.

We have good workers, good players, good sports, "good lookers"—and good eats. If there's anything you can think of that we lack we've ordered it and it will be here soon.

We aren't egotistical. But, honestly, don't you think part of the laurels go to the "Sophs"? —F. M.

On September 7, 1927, about sixty emerald Freshmen first made their appearance at Cedarville College. This was the largest entering class that the school has yet known.

The Freshman Class of '27 has made a real name for itself in athletics. We furnished about half the football squad and also about half the basketball squad. With the baseball season approaching, it appears that many more athletic laurels will be added to the Freshman Class. We are proud to claim as one of our members Roy Smith, undoubtedly one of the best athletes Cedarville has had in a long time.

At our feeds we seemed to be a little too strong for the "Sophs" to molest us, but seventeen of us received free haircuts during the year, for which we are truly thankful and hope to do the same by others. Of course, any style is becoming to US.

Studying? Ask US how. We know!

Ask anybody who we are. They all know. You can't miss us. We're the Freshmen!

Cedarville State Normal

The educational department of Cedarville College has been reorganized with the cooperation of the State Department of Education, and is under its direct supervision. Three courses of instruction prepared by the State Department are offered. These are designed to prepare teachers for lower elementary, upper elementary, and high school instruction.

The outstanding feature is the attempt to present all subject matter from the professional standpoint. This is not a new idea and has proven successful wherever attempted. Much needs to be done to improve and extend this type of instruction for training teachers for better service.

Observation and student teaching are necessary to fix desirable professional ideals and habits. This is done in the public schools of Cedarville. The fine spirit of cooperation, and convenient location near the College make an ideal situation for the work.

The success of this first year's work is quite satisfactory to all concerned. However, any new enterprise is apt to grow gradually in size and efficiency, and it is the hope of those immediately concerned, that this venture may grow to larger proportions as the years pass. With the decrease of the county normals, a greater number will be seeking admission at other institutions; and with more rigid requirements preliminary to entering upon the work of teaching, a longer period in training will be necessary. These conditions will no doubt insure growth for this department.

Initial steps have already been taken to extend the two-year normal course to a four-year course leading to the degree of Bachelor of Science in Education. Opportunities equal to the best are thus afforded for any who may desire such advantages.

A group large enough to make the work interesting is desirable. But our aim is for efficient work rather than for large numbers; to aid ambitious young people with ability, at small cost; and to set high ideals for those who seek our aid, that they may so equip themselves as to become masters within their spheres of influence.

The Department of Music

"Music, I yield to thee as wings to the sea,
I give my spirit to the flood of song,
Bear me upon thy breast in rapture or at rest,
Bathe me in pure delight and make me strong;
From strife and struggle bring release,
And draw the waves of passion into tides of peace.

Music, in thee we float and lose the lonely note of self,
In thy celestial ordered strain,
The earthly songs most dear with joy, with peace,
We hear until those notes that gladdened mortal days,
Break on the coast of light in endless hymns."

—Henry Van Dyke.

HARMONY? Yes, it's found in music—and in our every day life. If we fail to find it in music, we generally have difficulty in discovering the concord in life's plan.

"Music is a moral law. It gives tone to the universe, wings to the wind, flight to the imagination, a charm to sadness, gayety and life to everything."

We must be directed so that we can find this harmony and such a director is Professor John A. Talcott. He is assisted in Piano by Mrs. Walter B. Corry, and in Saxophone by Kenneth L. Little. Over fifty pupils are enrolled in the courses of Piano, Voice, Pipe Organ, Theory, Counterpoint and Cornet.

Five members from the Department of Music furnished attractive numbers for the "Style Show" which was held Thursday evening, March 24, 1927, in the Alford Gymnasium.

Each year near the close of the second semester two recitals are given. Last year the pupils of the Primary Department held their recital in the south alcove of the Carnegie Library Building on May 28, while the larger Recital Concert was held May 31st, in the Alford Gymnasium, consisting of piano, soprano, contralto and baritone solos.

The Baccalaureate music of last year was furnished by the department, assisted by the choir of the United Presbyterian Church and other invited vocalists.

An invitation recital was held at the Library studios, April 12th, 1928. The pianists playing were: Miss Wham, Miss Susannah West, and Miss Powers, assisted by Miss Iliffe, contralto.

With the closing of the session 1927-'28 Professor Talcott is leaving our college, after five years of service.

"I AM MUSIC"

Servant and master am I; servant to those dead, and master of those living. Through me spirits immortal speak the message that makes the world weep, and laugh, and wonder, and worship.

I tell the story of love, the story of hate, the story that saves and the story that damns. I am the incense upon which prayers float to Heaven. I am the smoke which palls over the field of battle where men lie dying with me on their lips.

One I serve as I serve all; and the king I make my slave as easily as I subject his slave. I speak through the birds of the air, the insects of the field, the shores, the sighing of the wind in the trees, and I am even heard by the soul that knows me in the clatter of wheels on city streets.

I know no brother, yet all men are my brothers; I am the father of the best that is in them, and they are fathers of the best that is in me; I am of them and they are of me. FOR I AM THE INSTRUMENT OF GOD.

Cedarville College Seminary

Although the Cedarville College Seminary enrollment is not as large as in former years, the seminary is still continuing its good work in preparing young men theoretically and practically for definite Christian service.

The faculty is thoroughly trained and experienced and in every way competent to help fit young men for the labors and vicissitudes of religious work. Dr. McChesney is Dean of the Seminary and this year has been teaching Systematic Theology; Dr. F. A. Jurkat is Professor of Greek and Church History and Rev. Ingmire has charge of the work in Archaeology and Religious Education. Other seminary subjects have not been offered this year because of lack of demand for them.

The following young men of the Cedarville Campus are looking forward to the ministry: Clair McNeel, Myron McDonald, James Stormont, Edward Wones, B. B. Fleming, Day Kennedy and Calvin Weimer.

Let us boost for a larger seminary enrollment next year.

FOOTBALL SQUAD

Football for '27

It has been done. The Cedarville College football Yellow Jackets have won more than one game in a single season, but the number of games on the victory side this year is advanced only one. Nevertheless two victories sound far better than just one. Also the games that were lost, present a far more impressive story than defeats of previous years. If each team for the next few years will continue the habit of winning one more game than the season before, Cedarville will soon have a very pleasing record.

The start of the season did not find the usual pre-season "dopsters" telling everyone what a great football team C. C. was to have. This has been the annual custom for years and everything has always been contrary to that predicted. But this year after Coach Borst got his lads rounded up and into condition he placed a team on the field that changed several records around the school as far as football is concerned.

The team of '27 is the first team that has outscored its opponents in the season's total scoring, since football was renewed at our institution. They defeated Antioch on the Antioch gridiron, the first time this has been accomplished since 1899. The Yellow Jackets also gained a double victory over Antioch for the season. This feat has been the goal of every C. C. team and at last the seemingly impossible is pleasant history.

Cedarville was booked to lose the first game with Ashland by forty points. Ashland had a heavy veteran team and it was figured to tear Cedarville to shreds in its first victory of the season. But when the battle was ended Ashland had experienced strong opposition from the Yellow Jackets and were lucky to win 12 to 6, because Cedarville nearly won out in the final minutes of play.

With but two days rest the boys proceeded to administer a 38 to 0 defeat to our "friendly enemies" from Antioch. The Yellow Jackets ripped giant holes in

the enemy's line, skirted their ends with ease, and tossed passes over their heads consistently for long gains. Antioch threatened but once during the entire contest; this was just after the game started. The Yellow Jackets called time-out and it was unanimously decided that they form a stone wall defense. These intentions were carried out perfectly. They were so perfect we doubt if all of Antioch could have crushed the wall. As soon as Cedarville received the ball on downs Adair took the ball and zig-zagged through the entire Antioch team, running eighty yards for a touchdown. Late in the last half this same fleet footed Yellow Jacket (no remarks from the Zoologists, please) caused another sensation; the second time though, the jaunt covered a distance of ninety yards.

The following Friday brought on the annual scramble with Capital. This was Cedarville's one grand chance to wallop "Jerry" Katherman and his band of football warriors. Our boys had the far better team; they were supposed to win. Two forgotten feminine folks, though, found their way into the contest and perchance they both settled down in the camp of the Columbus lads. "Dame Fortune" and "Lady Luck" are the ladies mentioned above, in case you have not guessed. Cedarville was leading 7 to 6. The game was nearly over. Cedarville had cleanly and decisively outplayed their opponents all afternoon. A lucky break was Capital's only chance; and they got it. A diminutive, substitute, Capital end, recovered a Cedarville fumble. He tucked the ball in his arms and with the speed of three scared antelopes struck out for the goal line; the farther he ran the faster he ran. Capital 12, Cedarville 7. This little "unknown" had brought sudden and unexpected hilarity to the Capital stands and caused more sudden and unexpected gloom in the Cedarville group. Cedarville made another touchdown on the last play of the game, but after the timekeepers, umpire and referee got together they decided the game had ended with the preceding play. Just another football game lost by C. C. That's all.

The next week unearthed another game lost by one touchdown. Someone must have clipped the Yellow Jackets wings because they got off to a very poor start.

Rio Grande scored both her markers the first quarter. Cedarville put one over in the second session. They came close to another several times the last half, but always fell short those few necessary yards. Rio Grande 13, Cedarville 6.

The next week was a repetition, except the scores were advanced six points on each side. Cedarville got off to a slow start as usual. Bluffton scoring two touchdowns in the initial stanza. The Yellow Jackets then managed to sprout some new wings and made six points before the half ended. They kept up the good work as soon as play resumed and scored again, but missed their chance to tie the score. Just before the game ended an elongated wingman of the Bluffton crew leaped (we are afraid to say how high) into the air and snatched a pass behind our goal line to give his team the decided edge in points scored.

At Kent the unusual happened. Cedarville got off to a flying start and scored twice before Kent awakened to fact that they were in a football game. Before the half ended though, Kent was wide awake and scored a touchdown. At the start of the second half Cedarville registered again but on all three occasions they failed on their extra points. Kent had been successful on her extra point attempt. A burley lad by the name of Kilbourne then cut loose. The way he plowed through the line was "Too Bad." He accounted for two more touchdowns single handed and united with his seven previous points it placed his team one point ahead of Cedarville. Thus the game ended. Kent State Normal 19, Cedarville 18.

Quakers do not believe in war but anyway the next battle was with Earlham at Richmond, Ind. Once more Cedarville had the lead as the game was in its final stages. This time a long Earlham forward pass tied the score. Cedarville scored two more touchdowns before the game ended but on both occasions the ball was brought back and Cedarville penalized. Both teams won. Both teams lost. Cedarville 13, Earlham 13.

Cedarville then played host to Antioch in the lone home game of the season. Antioch held up wonderfully the first half. They completely checked the onslaught of the Borstites. They scored first on a perfectly executed play. The roses were not so rosy over Cedarville way. The Yellow Jackets did not score until one minute before the half ended and copped the lead by making the extra point. When the second half started "Happy" Rutan decided to exhibit his wares. From then on it was only a matter of time. This lad tore into the Antioch line with the power of a battering ram and the speed of Paddock. The aerial game was brought into play and the flanks were also skirted with dazzling speed. After much figuring and counting the score was settled: Cedarville 40, Antioch 6.

The final game is quite a blemish. The boys had exerted all the football energy they possessed in the hard fought Earlham and Antioch games. Three games in one week is too strenuous for any college team. The cold wind, rain, sleet and rocky gridiron did not coincide with football. Ball's State Normal School, Muncie, Ind., is the only team that blanked C. C. all season and while they were doing that they were scoring forty-three points of their own.

The Cedrus feels that it is only fitting and proper that they give personal mention to the three seniors of the squad of '27 who have so nobly performed on the gridiron under the colors of Cedarville College. Captain William "Wee" Nagley, quarterback, Dave Adair, half-back, and Paul Brown, left tackle, captain '26. We wish that they could continue to play on at C. C., but graduation must take its toll. Such is the life of a college athlete; just as he reaches the peak of his career he must advance to the higher levels of life. We trust that they can instill into the teams which they coach next year the spirit and ability they displayed for us.

BOYS' BASKET BALL SQUAD

Boys' Basketball at C. C. '27-'28

The boys basketball team of '27 and '28 of Cedarville College is termed by all critics as the best team ever turned out at the institution, with due respect to all great teams of the past. This year's team was by far the outstanding small college team of the state; defeating all the smaller colleges and several of the larger ones. The season's record shows a total of seventeen games won against eight lost. Three of these losses were only logical. One to the University of Cincinnati, Champions of the Buckeye Conference; Ohio Wesleyan, runners up in the same loop, and one to St. Xavier, conquerors of Cincinnati. There was a lot of newspaper propaganda scattered around at the start of the season, to the effect that Cedarville claimed they had "the best team in the state." Of course when Cedarville played the two teams that later proved themselves the best in the state and did not make as creditable a showing as everyone expected, the general run of things did not go along so smoothly. Soon afterward though, the team hit its stride and mowed down all opposition as fast as it came up; proving that they were at least one of the best teams of the state.

The first game brought much joy and optimism concerning future games. Antioch was the first victim of the season for the Yellow Jackets. A victory over Antioch is one thing that brings much rejoicing around the school and, when it is done to the tune of 40 to 15—well, there is just lots and lots of happiness. The starting lineup consisted of five veterans. Nagley and Adair at forwards, R. Jacobs at center, and Gordon and Little, guards. This team put forth an exceedingly fast offensive attack and the small score of Antioch shows their defensive power. Coach Borst then arranged another team composed of Fisher and Schuller, forwards, Smith, center, Fulton and R. Jacobs, guards. A third team was also inserted into the fray about the middle of the last quarter. Allen and Morton, forwards; Marshall, center, Turner and E. Jacobs, guards. With this galaxy of material playing in mid season form in its first game, it surely looked as if Cedarville was in for a big year.

Next on deck was the fitful night with the Ciney "Bearcats." Cincinnati couldn't have missed a basket if they had tried, and the boys were not allowed to climb up the Giant Bolton and stop him, so all in all it was a horrible night for the Yellow Jackets. There were so many score books and so many goals that every one differed, after the game. The official score was finally called 71 to 19.

The "Battling Bishops" from Ohio Wesleyan came down to the Alford Gym, expecting to do the same thing but during most of the first half it looked as if Cedarville was going to pull the biggest upset of the season. The Methodists were played to a stand still, but as time wore on they steadily forged ahead and the game ended quite one-sided. Cedarville again made nineteen points and Wesleyan was permitted fifty-four.

Wilmington still had the old "jinx" on our boys and administered them their third straight defeat. As usual the game resembled a rough football game instead of what it was supposed to be. The Holidays brought on a needed rest and gave the boys a chance to forget their three defeats and start life anew.

Santa Claus visited this region Christmas and left a few victories up in the gymnasium. In fact, out of the next fourteen contests the Yellow Jackets emerged victorious on twelve occasions. The first string of victories consisted of four and the other was the longest consecutive winning streak of the season which numbered eight.

The first game after vacation was with Springfield Business College. Coach Borst used several combinations of players. The three previous hard games had given him little chance to get a good line on his new material. The game was fairly even until the latter part, when the five veterans were placed in the game at their usual positions, and scored five field goals in less than three minutes.

Defiance presented the next visitors and victims at the Alford Gym. The upstate lads could not keep up the pace set by the fast flying Yellow Jackets. Cedarville led all the while and never was in danger of being placed on the wrong end of the score.

The next victory came, after a visit to Urbana Junior College. The second team which was now composed of five Freshmen played nearly the whole game. The varsity saw action only the latter part of the second quarter. The second stringers proved they could easily handle the situation by winning 36 to 16.

The fourth straight win was the result of another victory over Defiance. The boys defeated Defiance worse at Defiance than they did on their own floor. Our boys made more points, and Defiance less than in the game at the Alford Gym.

Findlay brought an abrupt end to the short winning streak. This was the least expected defeat of the season, but Findlay's continual trying, and undying spirit netted them a one point victory.

The following night the Yellow Jackets jumped back into the win column, but only after a hectic struggle with Rio Grande. The boys from down along the river staged a desperate rally in the closing minutes that was a hard one to check. Cedarville did not care to lose two games in a row so they gained control of the ball and held it until the game was over.

There were no records showing that Cedarville ever defeated Antioch at Antioch, or twice in the same season. Now there are records to this effect that are satisfactory to Cedarville followers. Examination week is not the best time in the world to stage a basketball game; nevertheless the Yellow Jackets came through with flying colors. The 41 to 37 score in favor of Cedarville changed a bit of history.

The game with St. Xavier was not so satisfactory. There are several good excuses to offer, but the Irish must have a real basketball team if they defeated U. of C.

Probably the most thrilling game of the season occurred when Cedarville journeyed to Wilberforce. Cedarville held a very comfortable lead until the middle of the final half. Wilberforce started a drive that did not stop until it brought them a three-point margin, with but a few minutes to play. The Yellow Jackets came back strong and snatched the lead again. A few seconds later Wilberforce was ahead. Just before the final gun cracked, Gordon made a very difficult basket which gave the victory of the brilliant game to Cedarville.

The Yellow Jackets took a southern tour that netted them two more victories. Rio Grande was decisively beaten again and Kentucky Wesleyan was the other victim. The latter game marked the opening of athletic relations between the two schools. The night after the boys got home, they drove to Xenia and showed the Downtown Country Club team of that place how to play basketball.

Cedarville made it five in a row by walloping the great team of Bliss Business College. Bliss lost but two games this season and most of their victories were over high class teams. This game also changed a bit of history because it was the first time any Cedarville team had downed the Bliss lads.

The old grads and former students were treated to some real basketball in the Home-Coming game with Ashland. Ashland presented a classy combination, but the Yellow Jackets are a hard aggregation to beat on Home-Coming night. The game was a nip and tuck affair but Cedarville emerged with a 37 to 32 victory.

Cedarville made it seven straight when Urbana came down for another dose from the Yellow Jacket stinger. Cedarville had much difficulty in getting started but after they did, they ran up their highest score of the year.

Our boys got sweet revenge when they played the return game with Findlay. The upstate lads had planned on defeating Cedarville twice but their plans did not look so good when the game was over and the Yellow Jackets had won their eighth consecutive game by defeating them 39 to 30.

Wilberforce paid us a visit, stopped the winning streak, and secured their sought for revenge. The colored lads just couldn't be stopped, and that was all there was to it.

The northern trip produced a victory and a defeat. Ashland didn't let the boys down them again, but Kent couldn't help themselves. The latter game though, was won only by a one point margin, after an uphill battle.

The "Green Tornado" from Wilmington brought the "Jinx" along with it to the Alford Gym. "Shifty" Bolen's boys received an inspiration somewhere, and

played their best basketball of the season while Cedarville was performing below par.

The final game was spectacular with its defensive play on both sides. The Yellow Jackets had a slight edge; thus defeating Kent State and lowering the curtain on the school's most successful basketball season.

Graduation will take but two players from the team. Dave Adair, honorary captain, and William Nagley, high scorer of the team. These fellows were at the head of the offensive machine and now Coach Borst is confronted with the task of finding two new men who can exhibit the offensive power of Adair and Nagley.

GIRLS' BASKET BALL SQUAD

The success of the past season was due to the fine sportsmanship and cooperation of everyone; players, coach, faculty, student body, and the manager, Irene Shannon.

Tanner (F), Auld (F), Raisanen (G), Mitchell (G), are the only regulars left to bring glory to C. C. next year, but we have some promising players among the Freshmen.

Those graduating are:

CAPTAIN HELEN ILIFFE (GUARD)

Helen led our girls to success this past season. A more worthy person than our red-haired captain would be hard to find. An ideal Captain. A good sport. A real leader.

CHRISTINE SMITH (CENTER)

Christine's loss will be keenly felt. She had a good eye for the basket and—could she jump?

LELIA LEMAR (GUARD)

Lee—a good sport, guaranteed to prevent any forward from making baskets. We'll miss you, Lee.

NELLIE BOWSHIER (GUARD)

We've heard little of Nellie before this year, but she surely has made up for lost time. Next season's squad will miss her assistance.

MARGUERITE DONALDSON (FORWARD)

A better sport could not be found than our basket-shooting "Peg". She has done much for Cedarville during her three years with us.

MARY CIMINELLI (FORWARD)

A good sport and always jolly, our little Mary. A valuable asset to any team, and the life of any trip.

They, they, they're all right!
Who, who, who's all right?
They're all right! Who's all right?
Team, Team, Team!

The "pep" which has been shown by the student body, during the basket ball season has been splendid. But then,—we just couldn't help yelling when we'd see "Bill" Curry, out in front, in her nifty white outfit, and the little orange and blue cap, with "Jasper" and "Jimmie" lending their support at various times.

The aim of the Cedrus Staff of 1928 has been to produce a book worthy of Cedarville College. Some one has said, "there is joy in service," so there is a sense of joy in the work of publishing a college annual. We consider it a privilege as well as a responsibility to be members of the Cedrus Staff. The publishing of an annual, even in a small college, is, indeed, a task of no small degree. During the year, difficulties have arisen which have almost overshadowed our ambitions,

but we have never forgotten our aim to compile as worthy a Cedrus as possible. We submit the finished product and hope that it will meet with your approval. After inspecting our work, we realize that we have made many mistakes. Several of the staff members were new in their respective positions, but they soon acquainted themselves with the various intricacies of the work and went at their tasks with determination.

In compiling the book, the work of supervision has been capably directed by Professor F. A. Jurkat. We are very grateful to him for his advice, both literary and financial. We also wish to thank other members of the faculty for their willing assistance, as well as members of the student body who have contributed articles from time to time and have shown a friendly interest in the book.

This book is of the College and its pages were inspired by devotion to it. We feel that the work we have done has bound us closer to our Alma Mater.

If, through these pages you are helped to recall and live over again in memory those many happy days of 1927-1928, our task is well done, and we shall feel amply repaid for our efforts.

There are many factors necessary to the maintenance of a college, but, after all, what is a college without a group of students. We, of Cedarville College, for that reason, if for no other, feel that our Student Group is worthy of some consideration.

At Cedarville you will find "pep" if you judge by our athletic reputation as well as by our achievements in other lines of activity. You will find earnestness and a desire to strive for and obtain the best even at the sacrifice of petty pleasures. You will find the spirit of fairness and kindness permeating the atmosphere. And, too, we believe that you will find loyalty here—loyalty to fellow students, to superiors, and above all, loyalty to our Alma Mater. For, breathes there a Cedarville College student who never at any time in his college career has said, "This is my own—my very own Alma Mater, and I am proud of her".

"O Cedarville! O Cedarville!
Home of our student days,
Forever may thy name abide
And lasting be thy praise".

During the year, the place of Cedar Needles on the college campus has become well established, due to the efforts of those in charge of the work, and the co-operation of the faculty, student body, and community.

At the beginning of the year, the paper was edited and published by a staff composed of members of the Journalism Classes under the direction of Miss Dolby, and considerable progress was made.

To place Cedar Needles on the full basis of a student college publication, at the outset of the second semester a new staff was selected from the entire student body to carry on the work. Several new departments were created and each staff member was made wholly responsible for all articles within the sphere of his department.

Under this new form of organization and operation, the staff took up its work eagerly and earnestly, with the desire to give their very best to the project, and a determination to make Cedar Needles a most potent factor for good on the Cedarville College Campus.

Whether this has been achieved, the student body is the best judge.

Those interested in the Needles cannot but be of the opinion that it is still in its infancy and that its best days lie ahead.

The Young Women's Christian Association supplies a peculiar need in the life of every Cedarville College girl. Primarily, its purpose is Christian as we infer from the name. The great objective of the association—"We unite in the determination to live unreservedly Jesus' law of love, in every relationship, and so to know God," places a tremendous responsibility on every girl who desires membership in the association.

The blue triangle, the symbol of the Y. W. C. A., stands for that three-sided development—body, mind and spirit. No one of these can be neglected if we are to attain the abundant life. The only way we can realize this rich, creative life is through "a growing knowledge of God".

The association offers unique opportunities for the development of friendship, in the highest conception of the word. Girls who are seeking to find rich, creative life, are drawn together by closer than ordinary bonds. When a Y girl lights her candle from the big candle, in our impressive committal service, she wants more than anything else to "follow the gleam", and in doing so she must employ all the resources at her command.

Our association at Cedarville College attempts to guide girls in seeking to find the abundant life. For this reason, our meetings have been varied. During the first part of the year, in our regular Wednesday morning meetings, we discussed the meaning of membership in the Y. W. C. A., its purpose and activities, both as a National organization and also as a student organization in our school.

In order that we might know more about students of other lands, our World Fellowship Chairman led in the discussion of the book—"Latin American Peoples". Another interesting program, brought through this same department, was that given by the Wilberforce Quartet, in song and story.

The second semester we considered four big projects
Travel (A trip from Cedarville to Europe).
When It's Hard to be a Christian.
Etiquette.
Girls Who Did

It is hard to choose those social activities which we want to remember. However, some are outstanding. The Welcome Tea given the opening day of College; the informal breakfast given by the Cabinet at the beginning of the membership campaign, and attended by every girl in college; the Hallowe'en Party, given by the Y. M.; the joint Valentine Party; the formal banquet, addressed by Dr. Auleene Marley Jamison, Dean of Women at Muskingum College; and the girls' Mock Wedding.

As a part of our social service work, we remember the needy with well-filled baskets every Thanksgiving. Three programs have been open to members of the community—the Committal Service, our Christmas program and the Silver Tea.

Our visions were broadened by Miss Maude Gwinn, National Student Secretary, who visited us for two days. Aside from speaking to a group of the girls, Miss Gwinn was available for private conferences. The Cabinet entertained at a dinner in Miss Gwinn's honor.

The president of the association and the faculty advisor were privileged to attend the Geneva Conference, during the summer months. It is the ambition of this year's cabinet that a larger delegation attend the conference this summer; for there, every girl has the experience of ten days of "real living", and she returns to her own campus with a fuller realization of the Y. W. C. A. in all its activities.

The Christian organizations play an important part in our college life here at Cedarville. The Y. M. C. A. seeks to train men physically, mentally and spiritually. It is a constructive influence in the building of Christian Character.

The regular weekly meetings are sources of spiritual benefit and enlightenment to all who attend. In our meetings we aim to help young men to find God's plan for their lives and to ally themselves with that plan. We have indeed been fortunate in securing speakers from various walks of life. These men have brought us helpful and inspiring messages out of their own personal experience in life. The Y. M. has cooperated with the Y. W. in bringing speakers and musicians of note to our college campus. It was a great privilege to have Dr. Biederwolf and Mr. Grimes with us in one of our joint meetings, and in another meeting to have the Wilberforce quartette entertain us.

Two of our members attended the Lake Geneva Y. M. C. A. Conference which was held last June. This was made possible through the kindness of Mr. W. W. Galloway, the churches of Cedarville, and other friends of the organization. These delegates have tried to put into practice some of the good things they learned at the conference, in order that the will of Christ may be made more effective in our daily campus life.

The social activities have not been neglected in our program. We have had many good times together which have deepened the spirit of friendship. We shall long remember the Hallowe'en Party and other social affairs of the year in which the Christian organizations have taken a leading part.

One of the worthwhile accomplishments of our association this year was the College Minstrel which was presented March 28th, under the able direction of Mr. A. G. Duffey of South Charleston.

We desire to thank our many friends who have helped in any way to make the year a success in our Y. M. work.

At the beginning of the College year of 1927 and 1928, we were slightly handicapped by the resignation of some of the officers who generally arrange for the opening session and organize for the ensuing year. Even though we were a little slow in organizing we were preparing for a great drive in the meantime.

We endeavored to enlist in our ranks all worthy members willing to conform to and help in making this society better than ever before. In this number as well as in our old members we were fortunate indeed to have secured so many talented students who excel in music, literary, and dramatic art. For this we are very proud but hope and trust that they will ever make it their duty to help others to be able members of society.

We hold our regular meetings bi-monthly and programs are logically arranged so that they may be appropriate for each meeting. They follow a course that is varied in content and form. This we do to develop the talent in the individuals and at the same time be very instructive and entertaining to all concerned. It is evident that this has embodied the eager efforts of everyone; that our profound purpose be to strive for quality in everything attempted.

It has been our aim to cultivate the highest ideals, to elevate the cultural standard and to instill in our members a desire for the best in musical and dramatic art. This we hope will ever remain not only a pleasant memory but a liking and craving for the best of everything.

All our members are prominent in the activities of the college, designating that a wonderful atmosphere prevails and a high standard maintained. From this we are confident that the cultural tone of all is moved toward noble ends. Thus the Philadelphians are not only builders but messengers; and may your genius, geniality, and ability be that which we prize. May it be our crowning glory to do that which will lead the way and be a light to others!

In 1895 the originators of the Philosophic Literary Society adopted the motto, "Be Perpetual Always." From that date until the present time, the members of this society have endeavored to maintain the standard their motto implies, and in a large measure they have been successful. Although small in number, they have been patient and earnest in their efforts. One of their chief characteristics has been a willingness to work.

In the spring of 1927, after a year noted for regular and interesting meetings, attended by a very enthusiastic and faithful group of students, the members of the society came to realize that a number of them were to graduate that year, and that not more than ten or twelve of the "old faithful" would return in the fall. With consternation they came to realize that their motto must be applied without, as well as within, the society. As a result, an extensive membership campaign was started. A membership committee was appointed whose duty was to learn the names of prospective students and to welcome them to Cedarville College and to invite them to attend the Philosophic Literary Society. The committee was very faithful in performing its duties, and at the first meeting in the fall of 1927, quite a few new students were present.

The campaign ended with a contest between the "Greens" and "Whites", and at the social given at the expense of the "Greens", it was found that the membership had grown from ten to forty-eight.

Our meetings this year have been interesting and of value both to intellectual and social culture. The programs have consisted of the study of the people of various parts of our country with their literature, customs, and occupations; musical programs; debates; essays; readings; and extemporaneous speaking.

As for social activities, it is not likely that any of us shall soon forget the "feed" at the gym, the Christmas caroling and the social hour at McDonalds, or the hard-luck party at the home of Helen Powers.

Our motto, "Be Perpetual Always", is leading us on. Our latest activity is an effort to instill as much enthusiasm among the students of Cedarville College for intellectual achievement as for athletic achievement. We do not advocate less enthusiasm for athletics, but we do advocate more enthusiasm for achievement in the culture of those talents with which we are endowed.

For any success that may be ours, we owe it to the Creator who has endowed us with the opportunities, privileges, and faculties which are ours; to the spirit of cooperation which has pervaded the society; and to Miss Lust, who has been of invaluable service in rendering new and helpful advice, kindly criticisms and wise advice.

Girls' Glee Club

Music is an art over which the Muses preside. It is one of the fine arts, and for the first time in the history of Cedarville College it is in her possession in the form of a Girls' Glee Club. Much interest has been taken in the organization and it is hoped that it will become a permanent institution in the college.

As yet only one appearance has been made and that at Dr. McChesney's reception. A concert is being planned for a future date.

The personnel follows: First Sopranos—Gertrude Gilmore, Margaret Dickman, Susannah West, Zora Smith, Mary Elizabeth McKay, Margaret Chandler. Second Sopranos—Nedra Wilson, Mary Webster, Stewart Watson, Jean Morton, Hilma Raisanen, Kathryn Van Pelt, Dorothy Wolff. First Altos—Frances McChesney, Lenna Beam, Freda Estle, Genevieve Jamieson, Josephine Auld, Ada McKay. Second Altos—Mary Ruth Wham, Irene Shannon, Anita Printz. Pianist—Helen Iliffe. Assistant Pianist—Genevra Jamieson. Director—Ruth Burns.

College Orchestra

It has been said that music hath charms to soothe; with this in mind the college orchestra was organized soon after the beginning of the first semester. Practice was adhered to faithfully and the debut was made at the Cedrus Play in November. Later appearances were at the Junior Play, the Home Coming Banquet, and the College Minstrel.

The members of the orchestra are as follows: First Violins—Irene Shannon, Viola Curry, Kenneth Conklin. Cello—Lillian Yapple. Mandolin—Dorothy Wolff. Banjo—Kenneth Ralston. Cornets—Robert Duffy, Irvin Harner, Myron McDonald. Saxophones—Janis Carter, Kenneth Little, Vernon Hickman. Bells—Elizabeth Haydock. Trombones—James Lemon, A. C. Ewbank. Pianist—Helen Iliffe. Director—Ruth Burns.

The Cedarville College Eating Club

John Johnson.....	Steward
Mrs. Clara Morton.....	Matron
Jennie Hamilton.....	Cook

We might have an excellent appetite but nothing satisfies unless there is a good mixture of friendship and fun. For this reason at the noon hour a large number of students congregate in the waiting room at the College Club. Here they eagerly listen for the jingle of the bell, the call to the dining room across the hall.

Last year the Club group chose John Johnson as steward, who has efficiently and patiently served in this office. Only those who have pursued the duties of a steward know the worries and troubles connected with the work. We again have had the kind services of Mrs. Morton as matron, assisting in her own capable way. Many a frown has been chased away by the cheery smile and witty words of Jennie Hamilton, the cook. So we, especially those who have assisted in the dish washing process, shall not forget the minutes, perhaps the hours, spent pleasantly and profitably in the rooms of the College Club.

The 1928 Cedrus Staff, in publishing an Alumni Section, is carrying out the wishes of the 1927 Staff that such a section be made a permanent feature of the book. We feel that such a plan will make a closer bond between the Alumni and the active student body. We have made a careful effort to get in touch with each Alumnus of the College. It is our earnest hope that as the years go by, the Alumni Section may grow, and that those who have graduated will await each Cedrus as expectantly as does the active student body.

We wish to extend our thanks to those Alumni who found time to send the following information:

CORNELIUS BRUCE COLLINS..... *Holtville, California*
Principal of High School.

Entered first class and at all times was a member thereof until forced out by illness in May, 1897. Was not granted a diploma until 1898. Began teaching in western Nebraska in December, 1897, attended Colorado State Normal School one year, graduating with degree Bachelor of Pedagogy in 1900. Taught a country school in Colorado one year and received the degree of Master of Arts from C. C. in 1901. From 1901 to 1904 was teacher of English in the Philippine Islands. Took a post-graduate course in pedagogy at Greeley, Colorado, receiving the degree Master of Pedagogy in 1905. The following three years were spent as principal or superintendent in high schools in Colorado, removing to California in 1908 where for two years he was principal of a grammar school. For the past eighteen years he has been principal of high schools in Southern California, having been principal of the Holtville Union High School since 1925.

Three men, all wonderful teachers, have profoundly influenced his life and made him choose teaching as a profession. Prof. J. G. Graham, principal of Xenia High School, was the first, Doctor W. R. McChesney was the second and President Z. X. Snyder of Greeley was the third. Three men with higher ideals have never been found and they each have been and still are an inspiration.

1927, just 30 years since leaving the halls of Cedarville College, has been eventful in that we have celebrated our silver wedding anniversary, the subject of this sketch having married Miss Edith McMullin, a graduate of Greeley, in 1902, and both children married last fall. Mrs. Collins is teaching an elementary class in a neighboring school.

Mr. Collins is a leader in fraternal and teachers' organizations, he representing Imperial County for many years in the Councils of the California State Teachers' Association.

DOROTHY COLLINS Brooklyn, N. Y.

Brooklyn Federation of Churches

I've been thinking about our class of 1916, which was one of the large classes to graduate: Merle Rife at Tarkio; Ralph Elder, Knoxville College; Orland Ritchie, England (has a pastorate there); Thomas Whyte, Philadelphia, Pa. These are our "divines". There are also several teachers, Carey Ritchie; William Hastings, Mildred Foster, and George Sieglar. David Bradfute is on the farm. Three of the girls are married, Ada Wallace, Mildred Crouse and Gladys Post; and three of us are not, Margaret Rife, Mary Bird and Dorothy Collins.

RETURN

You led me in those young untutored years
Through day and night,
Brought hope and vision and dispelled my fears,
My peerless light.

But in the maze of life I lost your gleam
Being foolish-wise,
And on an alien and misguiding beam
I set my eyes.

Now down these latter years my way I grope,
And from afar
Return to thee, oh ultimate dear hope,
Oh, long lost star.

REV. D. HAROLD HAMMOND Huntsville, Ohio

Pastor of United Presbyterian Church

Six years removed from one's Alma Mater makes you appreciate Cedarville all the more as the years go by; I must not recall my pranks, nor have I any great attainments to speak of; but having been Editor of Cedrus 1924, I can appreciate your efforts in 1928.

REV. GAVIN REILLY.....Bradford, Ohio

Pastor of Presbyterian Church

Cedarville College lives in my mind not as an institution merely, but as a living monument to Truth and Honor.

I am deeply hopeful that from out her halls may continue to go men and women, fired with a passion to serve God and their fellowmen.

M. EARLE COLLINS.....Assinit, Egypt

Professor in Assiut College

"Congratulations to C. C.'s 1928 basket ball team and its coach! I have been laboring under the burden of athletic director of Assiut College this past year. We have 700 boys enrolled. My basket ball team captured the Championship of Egypt for the second year in succession. I enjoy my work so well that I have lengthened my contract to four years instead of three."

MARY E. OUTRAM.....Cable, Ohio

The four years I spent in Cedarville College were pleasant and profitable indeed. I know that the vision of life given me by Dr. McChesney and his associates will always abide with me. Hoping for a bigger, better year for my Alma Mater.

1927

FRED WILLS.....Chicago, Illinois

I was given liberal credit in McCormick Seminary, for all the work with C. C. and the Seminary Department. I was admitted as a second year student. Therefore, I shall graduate here next year, May, 1929. My recollections of the many activities of college life are too numerous to mention and too vivid to forget. From comparisons with students from other colleges and experiences on other campuses, I don't think there is anywhere in the world a more democratic spirit, and wholesome atmosphere than is found at Cedarville. I hope it may long continue.

I am very much gratified by the fine record that Coach Borst and the athletic teams have made. I hope their success may continue. I am glad, too, for the continuation of "Cedar Needles". It brings back many pleasant memories with every copy.

WILLARD BARLOW Wilmington, Ohio

Teacher in Kingman H. S.

I am always on the lookout for happenings and news of Cedarville College. Although I am out of college I will always be thinking of the good times and training that I received there.

DOROTHY LACKEY Xenia, Ohio

Teaching is interesting, but I fear it would be like a sandwich without the filling, if it were not for the pleasant memories of the good times and the friendships made at "dear old C. C.".

Activities

Cedar Day

Wednesday, June 1, 1927, dawned bright and fair and with the poet we sang, "What is so rare as a day in June?" Especially when that day is Cedar Day.

To every Cedarville College student there is an irresistible thrill connected with Cedar Day, for it is Cedarville College's own day—the day on which former students and friends of the college gather to witness and to enjoy.

On this particular morning one might see on the campus to the north of the main College Hall an unusual amount of activity. A stage decorated with green and white adorned the right side of the space, and on the left a small bower also of green and white awaited the May Queen. The cedar trees formed a green background for this setting.

But hush! The program of the day, which has been divided into three parts, has begun.

There comes to our ears the sound of music; and it fades away in the distance the Cedar Day oration, an annual event on this day of days, is delivered by Mr. Day Kennedy.

Again we hear music. This time it is by the Girls' Chorus which sings several numbers including, The Four Leaf Clovers, Rosita, and The Bells of St. Mary's. The Cedar tree planted by the Senior Class is dedicated to the College by Miss Martha Dean.

The second part of this program, to many, is the most important feature of the day, for now there comes the crowning of the May Queen. This honor has been bestowed on Miss Mae McKay who makes a most beautiful and stately Queen, as she enters, preceded by tiny flower girls and a small crown bearer. Her ladies in waiting follow her as she slowly makes her way to her throne where she is crowned by the former queen, Miss Lena Hastings. An aeroplane under the guidance of Mr. Talcott, drops greetings to the queen.

The final part of the program is the story which is enacted for the entertainment of the queen.

"It is morning in early spring near the coast of Brittany where there is a secluded spot, green with the vegetation of spring. To this spot comes a band of pirates bearing a huge chest. They make merry in preparation for opening the chest and dividing the booty. Startled at the sound of music in the distance, they beat a hasty retreat, neglecting to take the chest with them. A gay group of villagers eners, pulling with them Griselle and Eric whose betrothal they are celebrating. The peasants insist that the young people dance for them. They finish their merry-making and dance the May Pole. Before they leave they open the chest and find China Dishes, Jewels, Scarfs, Mantillas and Cameos, all of which enact their parts by a dance before the queen."

And thus the event passes and the Cedar Day of 1927 is only a memory, but it is a pleasant memory.

Commencement Week 1927

We cherish the days that are never forgotten,
 The days that bring echoes that Time can't erase,
 We think of the tasks of a man who loves freedom,
 We think of the world we're destined to face.
 The years that have passed are telling their story
 And telling it briefly, but telling it true,
 That no one may think of the Past but a vision,
 A wonderful vision of me and of you.
 So back to the scenes let your mind wander slowly
 Yes, back to the scenes of a year that's passed by,
 And hear once again the Baccalaureate sermon
 And never permit its quaint message to die.
 On May thirty-first was the music recital,
 You remember it once and recall it again,
 You know how it helped drive away your vast sadness,
 At thinking the Seniors might come not again.
 On the following night, June first, the Class Play
 Was pronounced a success to the very last word,
 Its name "Captain Applejack" must bring a returning
 To mind, the fond memories and not the absurd.
 On Thursday the date of the Banquet, Alumni,
 The Seniors were guests of the classes before;
 Fond memories brought back of the days in the distance
 When they had been students in classes of yore.
 On Friday, Commencement the Seniors marched forward,
 The world before them to enter the strife,
 That they might be able to win a great victory,
 To win a great battle on the field we call Life.
 So ended, the week of Commencement will ever
 Return to our memory in years that have gone
 Far away in the distance and never returning,
 How sad to relate when the years have passed on!

Junior-Senior Banquet

The Juniors entertained on April twenty-eighth at the Woman's Town Club, Springfield, honoring the Senior Class of 1927. The banquet room at the Club was very attractive in appearance. The guests were seated at a number of small tables laid with covers for eight. At the center table, covers were laid for those on the toast program.

The tables were each made attractive with bowls of Premier Roses. A very delicious four-course dinner was served by the Club.

The Wittenberg Quintet furnished music during the dinner hour.

A very clever toast program in charge of Paul Brown, President of the Junior Class, followed the dinner. The "response" to Mr. Brown's "Welcome" was given by Robert Turnbull, President of the Senior Class. Miss Helen Iliffe gave the vocal selection "Dream of an Eve", and Professor R. M. Borst spoke from the subject, "Are First Impressions Permanent?" Miss Martha Dean spoke of "Our Yesterdays", and Miss Mary Webster, of "Our To-days". Miss Ruth Burns sang "My Heart at Thy Dear Voice". Dr. W. R. McChesney closed the program with his toast, "Our To-morrows".

Silver Tea

The annual Y. W. C. A. Silver Tea was held in the College Chapel, Monday evening, March twenty-sixth. All the ladies of the community and the members of the various clubs in town were invited to attend.

A very interesting program had been arranged by Miss Ruth Burns. It consisted of several clever readings, and musical numbers, both vocal and instrumental. The reading given by Miss Chapman was especially clever and entertaining.

The Chapel was attractively decorated with soft lights, shaded lamps and baskets of flowers.

Miss Helen Iliffe graciously presided at the tea table, and a very pleasant social hour was spent by the ladies and the college girls.

The girls of the Y. W. C. A. are very appreciative of the interest which the ladies of the Community show in their activities.

Mock Wedding

The girls of Cedarville College staged a very clever Mock Wedding on April 21st at the home of Miss Gladys McDonald.

Miss Ruth Burbick was united in marriage with Mr. Eleanore Johnson. Many guests were present to witness the ceremony. The McDonald home was beautifully decorated with ferns and roses and the altar was banked with the same. The color scheme of pink and white was carried out. Preceding the ceremony, Miss Ruth Burns sang "O Promise Me", Miss Gladys McDonald, "I Love You Truly", and Miss Mary Ruth Wham, "At Dawning".

The strains of Lohengrin's wedding march, played by Miss Helen Iliffe, marked the entrance of the bridal party. During the ceremony the "Flower Song" was played. The ushers, Mr. Ruth Collins and Mr. Nedra Wilson, followed by the officiating minister, Mr. Lorena Sharpe, the best man Mr. Kitty Hughes, and the groom, met the bridal party at the altar. The ring bearer, little nephew of the groom, Master Jean Morton, led the bridal party. The bride's-maids, Miss Irene Shannon and Miss Margaret Chandler, were beautifully attired in harmonizing colors. Both carried a bouquet of apple blossoms. Miss Grace Clark, the maid of honor, followed. Little flower girls, Miss Elisabeth Babstuber and Miss Ruth Troutman, wore dresses of pastel shades. The bride entered on the arm of her father, Mr. Clarabelle Hunt, who gave her in marriage. The bride wore a beautiful gown of white crepe de chine with white slippers and hose. She carried a shower bouquet of apple blossoms and lilies of the valley.

Covers were laid at the bride's table for the bridal party. A delicious two course supper was served. The bride and groom left later in the evening on an extended wedding journey.

Hallowe'en Party

The annual Hallowe'en Party was sponsored by the Y. M. C. A. this year. Everyone came, although we did not know who everyone was. We marched around the Gym until the judges had selected the prize winners. Miss Viola Curry and Miss Elizabeth Haydock were chosen as the most cleverly dressed couple, Miss Cleo Hollingsworth as having the prettiest costume, and Dave Adair as having the most original costume. There were other couples who had very clever costumes too, such as the Kyle brothers, Eva Black and Anita Printz, Wilda Bickett and Ada McKay. Of course, only one prize could be given, but we considered these others worthy of mention.

For the evening games, the group was divided into various professions—doctors, teachers and ministers, who entertained the crowd with various stunts.

The traditional eats of pumpkin pie and cider were served to us with ham sandwiches, pickles, and doughnuts. We all departed, saying—"Thank you Y. M."

CEDRUS PLAY

Mrs. Temple's Telegram

CAST OF CHARACTERS

Jack Temple	James McMillan
Frank Fuller	David Adair
Captain Sharpe	Robert Thompson
Wigson	John Johnson
John Brown	Dallas Marshall
Mrs. Jack Temple	Helen Iliffe
Dorothy	Ruth Collins
Mrs. Frank Fuller	Mary Webster
Mrs. Brown	Jean Morton

What would you do if you were forced to spend the night in a ferris wheel, swinging in a small car at the top of the wheel, especially if there happened to be a strange woman in the same car with you? Would you tell your wife or wouldn't you? Mr. Temple decided to tell the truth, but the manner in which he was greeted by Mrs. Temple, upon his return home, changed his plans and he was in rather a precarious position a great number of times.

It took three acts to "set him right" with Mrs. Temple again, and during these acts many comical situations arose.

The play was greatly appreciated by the audience, so much in fact that a curtain call was made by the entire cast at the close of the performance.

This reviewer was well pleased with the acting of the various members of the cast. Space would not permit the mentioning of all who should receive favorable comment, but we do wish to say that Helen Iliffe as the suspicious and jealous wife of Mr. Temple played her role to perfection. James McMillan, as Mr. Temple carried his part extremely well. David Adair, as Frank Fuller, also gave a splendid interpretation of his lines.

We would like to say a word about the unknown heroines of all College Plays—the directors. Without them nothing could be accomplished. They are the guiding hand back of all, and without them, the plays could not succeed. We doff our hats to them. The Staff appreciates the time and energy given to them by Miss Dolby, Head of the English Department, also Mrs. Borst who so ably assisted her.

JUNIOR PLAY "Clarence"

CAST OF CHARACTERS

Mrs. Martyn	Thelma Bartram
Mr. Wheeler	Rev. B. B. Fleming
Mrs. Wheeler	Nedra Wilson
Bobby Wheeler	James Beam
Cora Wheeler	Margaret Chandler
Violet Pinny	Frances Anderson
Clarence	Robert Jacobs
Della	Irene Shannon
Dinwiddie	Heber Keach
Hubert Stem	Carl Frazier

Clarence! What was his other name? Where had he come from? Where was his home? A hundred such questions were asked by the Wheeler family and no one could answer them. They all knew that he had been in the army and could drive mules. That was enough for Mr. Wheeler, "any man who could drive an army mule and not swear should have a job," so Clarence was hired. His duties on the Wheeler estate were varied indeed. He could do anything from tuning the piano to painting the house. In fact the Wheeler's didn't see how they ever had managed to exist without him.

Such was the theme of Clarence. Of course we found out later that Clarence was a famous Arthropodist and that he cared a great deal for Cora's instructor, Miss Pinny. And so as the final curtain came down we found Clarence leaving the Wheeler household to take up his duties as Professor in a large University.

Clarence as it was presented by the Junior Class was a lively and very interesting play. A large and appreciative audience viewed the production and all voted unanimously as to its worth.

The cast was well chosen and all gave a splendid portrayal of their parts. Robert Jacobs as Clarence was indeed clever as the versatile young soldier. Mr. Jacobs interpretation of the learned soldier was excellent and his ability as a saxophone player can hardly be questioned. James Beam as Bobby, the spoiled and somewhat worldly son was a problem to all. It fell to Mr. Beam's part to create the laughter, and he let few opportunities go by. Miss Margaret Chandler aptly portrayed the part of Cora Wheeler. This was Miss Chandler's first appearance in a college play and the way in which she enacted her part places her as one of the leading actresses of the College. Space does not permit the mention of all the characters although praise is due to the entire cast.

The play was directed by Miss Julian, this being her first since she came to Cedarville College. The able manner in which she conducted it shows that she will be much in demand as a director of future College Dramas.

Valentine Party

The Y. W. C. A. and Y. M. C. A. sponsored our Valentine Party this year. The girls promised the refreshments and the boys the entertainment. Early in the evening, the gym seemed rather large for such a gathering, but we soon filled it with our merriment. The old-fashioned games, "Skip, Skip, Come-a-Loo" and "Pig in the Parlor," seemed in vogue.

A lovely white box bearing a rosy red heart held a valentine for each one. It was with fear and trembling that some of them were opened, but we were reminded of the saying that the "gruffest exterior holds the kindest heart"—sweetest message in this case.

Everyone departed for home feeling that he had thoroughly enjoyed the evening and that the students at College were quite a peppy bunch.

President's Reception

"Mrs. McChesney and I wish to invite all the students of the College to our home next Thursday evening." That was the announcement made by our President one March morning.

On this particular Thursday evening more than two hundred students and friends gathered at our President's home on Xenia Avenue.

Because of the nearness of St. Patrick's Day, a green and white color scheme was used. A delicious two course supper was served.

During the evening a very pleasing musical program was presented, consisting of vocal solos, piano duets, violin and cello duets, and a selection, "Bells of St. Mary's" by the Girls' Glee Club. The students always enjoy an evening spent at the home of our President and his wife, and this evening was no exception.

College Minstrel

Before a capacity house on the evening of March 28, the Y. M. C. A. of the College presented a very successful Minstrel. The opening curtain rose with the ensemble's singing "Moonlight and Roses." Jokes and songs followed in rapid succession. The end men were always on the move, and by their jokes, kept the audience laughing continuously. End men were: James Beam, Robert Collins, Dewitt Rutan, Frank Graham, Robert Thompson and Robert Cripps.

The songs were all modern hits of the day. The three outstanding solos were: "Among My Souvenirs," by Chester Violet; "The Hours I Spent With You," by Maurice Roseberry; and "My Blue Heaven," by Nelson Creswell. These all deserved the applause accorded them by the audience.

Special mention should be given to the Circle. While all did not have a chance to sparkle by singing solos, their singing in the Chorus was splendid indeed, and without them the Minstrel would not have been the success that it was.

In the second part, which was composed of numerous comedy acts and specialty numbers, the outstanding event was the Comedy Sketch given by Day Kennedy and Harry Pickering. If these two ever decide to change their careers, we would suggest the stage.

A saxophone solo by Kenneth Little; a sketch, "Zacks Spunks Up Courage," by Robert Duffey; and the duet, "By the Waters of Minnetonka," sung by Miss Ruth Burns and Mr. A. G. Duffey, were excellent.

Then as a fitting climax, Day Kennedy gave the reading, "Sockery's Cat." Mr. Kennedy is quite a versatile young man, and the success of this year's Minstrel is due largely to his untiring efforts. Mr. A. G. Duffey was the director and also acted as interlocutor.

The men who sponsored the Minstrel, and those who worked so hard to make it a success are to be congratulated. This Minstrel was enjoyed by all who heard it, and the participants have left a record of which they can be well proud.

Y. W. Formal Banquet

One of the most interesting social functions of the year for the college girls was the Formal Banquet, given April second, at the Alford Memorial. Three large tables, seating seventy-five guests were arranged in the form of a triangle. The tables were very attractive with white linen clothes, blue crepe paper runners and crystal candlesticks with blue candles, representing the Y. W. C. A. colors.

A very delicious four-course dinner was served. The girls were very proud of the dinner, since they had prepared everything.

A very interesting program followed the dinner. Miss Dolby, Faculty member of the Cabinet, introduced Miss Mary Webster, who as toastmistress very cleverly introduced Dr. Auleene Jamison. Dr. Jamison is Dean of Women at Muskingum College. Her address was most interesting and personal, and her manner most charming. The girls enjoyed every minute that she spoke. Miss Sarah Brown, a student at Muskingum gave several violin and vocal selections.

The Cabinet appreciated the interest the college girls displayed in this affair—a Formal Banquet being a novel project for the Y. W. We too wish to thank those "Mothers" who so generously assisted us.

Church Receptions

During last fall, the College students were entertained by each of the three churches of Cedarville. The church members are always very thoughtful of the students, but especially are they thoughtful in those first few weeks when homesickness is most prevalent.

The Presbyterians entertained at the Gym the second week in September. The guests were divided into groups, and part of the evening was spent with contests among the groups. Delicious refreshments were served. We departed, assured that the Presbyterians know how to entertain.

The Methodists held the next reception a week later, in their church. The entertainment was in the form of a radio party! The different groups represented various stations, and broadcast interesting programs. We also enjoyed music by the orchestra during the evening.

The United Presbyterians entertained during the first week in October. The guests enjoyed a very clever program which was staged by the young people of the Church. Later, games were played. The serving of refreshments concluded another pleasant evening for the College students.

- 19—Annual Mock Wedding. Quite a success. Girls do hero act. Fellows confuse potatoes and chicken.
- 20—Clifton on the map again.
- 26—Junior-Senior Banquet at Dayton.

HUMOR

Mrs. Brown—"Paul, I feel faint, I—I can't take a long breath."
Brownie—"Take two short ones."

Lenna—"Where did you get that fever blister?"
Viola—"Oh, down on the pike the other day."

Lorna—"I don't like these pictures. The photographer didn't do me justice."
McMillan—"Woman, you don't want justice. What you want is mercy."

Mary Cim—"Have you figured out your allowance?"
Conklin—"No, what's the use in bothering about nothing?"

Sarah—"Tell me, Eva, is kissing unhealthy?"
Eva—"I don't know, Sarah, I've never been sick."

"It stands to reason," said Miss Julian as the first debator arose.

Johnson—"College has made me a man."
Ruth—"Where is he?"

Heber—"I haven't the cheek to kiss you."
Nedra—"Use mine."

According to the campus shicks, "a chicken in the coupe is worth two on the curb."

A BED-TIME STORY FOR FRESHMEN

Once upon a time, we heard a story (and on very good authority) about a little boy and a little girl who liked each other very much. Now it happened that the little girl was a preacher's daughter, and on a certain night, when the little boy had a date with the little girl, she had to go to church (as all good preacher's daughters do) so the little boy went around to the church in a neighboring town not far from Cedarville and had to content himself waiting in the lobby until the pride of his heart had finished her duties at the piano. Now the hero of our story had arrived on the scene of action just as the preacher was in the midst of his discourse, and as he was rather tired, he dreamed lazily away until the preacher had finished. However, as he heard the first notes of the closing song being played, he spruced up and thought that e'er long he could feast his eyes on his lady fair. But the little boy was very much dismayed when he heard the congregation burst forth into a negro spiritual, and he realized he had made a mistake in the church. Which all goes to show, little Freshmen, that denominations do make a difference!
